**SUMMER CAMP 2009**

**June 15  
to  
August 21**

**Ages 5-12  
(Entering 1st  
Grade in Fall)**

### **Now This Is FUN!!!!**

Once again, the best summer camp experience in Northeast Florida will be at The Village Academy.

We hire staff that genuinely care about children and are willing to work with your child to create a wonderfully fun, memorable experience. We divide our campers by age and gender. We have 6 fun-filled rotations each day, which give your child experience in indoor and outdoor sports, arts & crafts, drama, cooperative games, and much more. We swim daily, and offer weekly field trips.

Our counselors are from the United Kingdom, Wales, and New Zealand, as well as the local area, to maximize your child's experience and let them interact with people from other cultures.. Our Summer Camp Director is Margie Tedder, who has been with us for over 20 years and always delivers an extraordinary experience for our campers that they will long remember.

### **New Part-Time Option**

We recognize that the down economy is having an impact on our families. For the first time, we are offering a part-time option. Your child may attend camp from 2 to 10 weeks, and 2, 3, or 5 days per week. Of course, the more you attend, the more activities and fun your child will have.

See the back of this sheet for the tuition schedule - the more you attend, the more you save each week!
